

## Tuesday Men's League

### League Structure

**Two person teams** will play 9-hole, stroke play matches against another assigned team each week. All teams will play the same preselected course on Golf Zone's TopTracer virtual monitors. Matchups will rotate weekly. Team members will face off one vs. one. Points will be recorded and submitted on a shared scoresheet.

The league will start November 14th and run through early March 2024. Every team will play the other teams in the league once with an eight team playoff following the regular season. Playoffs will be spaced over 2 weeks with only the remaining four teams facing off in the final week.

One vs. one matchups will be determined by a coin flip at the start of the round. Winner of the flip gets to choose the 1v1 matchup.

A different **golf course** will be selected by Golf Zone (GZ) each week for the 9-hole competition. All Golfers will play from the same selected tees.

**Handicaps** will be updated weekly following week one. Scoring and standings will be updated weekly and posted to the Golf Zone website.

A one time **League Fee** will be paid to GZ before the start of week one. (\$120 per team or \$60 a Golfer.

**Subs** will be allowed and will take the handicap of the golfer they are subbing in for.

**Late Arrivals** - If a golfer is late for the start of the round, they can join in when they arrive. Automatically, points will be awarded to the opposing golfer for each missed hole. **No Shows** is an automatic 9 points for the opposing team.

**Weekly Time Dues** will be paid by each golfer. Matchups will take place on one mat, 4 golfers to a mat. The duration of your matchup will be split between the four golfers. Time will start at 5 p.m. every week. A 30 minute warmup period will be allowed before each week's round, free of charge.

(i.e. 1 hour 45 minute round X \$0.50/min = \$52.50 / 4 = \$13.13 per golfer)

**Mulligans** are only allowed for one of two reasons.

- a. During the putting portion of the game, A ball has landed on an upslope lie around the green making it impossible to hit a regular chip shot into the designated circles.
- b. Your screen tracks a neighboring mats golf ball.

**Tees** are only to be used from the tee box. No teeing up for any other subsequent shots.

## Standings and Playoffs

**Standings** will be updated weekly and ranked based on points earned. At the end of the final week, the top eight teams will enter into a single elimination playoff. Bracket position will be determined by finishing position in the regular season. The top team will face the eighth place team, second place will play the seventh, etc. The final four teams after round one will return the following week for a two round Championship Playoff.

**Payouts** will go to the top four finishing teams. Fourth place will earn the equivalent of the league fee, first through third will earn an amount prorated based on finishing position.

## Scoring

**Scoring sheets** will be provided each week and will detail team matchups, courses and tees for that week. Teams will have one sheet for their matchup that will be completed together by all members of both teams. Scoring sheets will be certified by both teams before submission at the end of the round.

**Point System** is as follows:

1 point earned for a hole that is won outright.

½ point will be awarded to each golfer if the hole is tied.

½ point will be awarded to each golfer that scores a birdie or better on a hole regardless if they have won that hole.

3 points will be awarded to the two man team with the lowest Net Score

1 point will be awarded to the player from each head-to-head matchup with the lowest Total Score.

0 points will be awarded for losing the hole outright.

**Net Score:** A golfer's score after handicap strokes have been deducted.

**Total Score:** The actual score recorded above/below/even to par without handicap or simply the actual amount of strokes taken by a player.
